## McAllen Medical Center

The Emergency Department at McAllen Medical Center plays an essential role in caring for the urgent health needs of the metropolitan area. As the lead Trauma Center for Hidalgo County, the emergency department is ready 24 hours a day, seven days a week for patients who need immediate emergency surgery, including trauma, orthopedic or neurological procedures. The department cares for over 30,000 visitors each year including those with serious injuries.

In situations where time is critical, it's good to know McAllen Medical Center operates 24 hours a day with a full staff.

## Edinburg Regional Medical Center

Edinburg Regional Medical Center provides emergency care for adults, with advanced medical technology, exceptional doctors\*, emergency care nurses and other professionals.

You can rely on Edinburg Regional Medical Center for high-quality emergency care, 24 hours a day.

\* Physicians are independent practitioners who are not employees or agents of South Texas Health System.

## McAllen Heart Hospital

McAllen Heart Hospital features a full service Emergency Department and a Heart Emergency Center with highly skilled physicians\* and staff. When you have the warning signs of a heart attack, remember that we are ready when you need us.

McAllen Heart Hospital is the only Accredited Chest Pain Center in the Rio Grande Valley and treats nearly 5,000 visitors every year. This national accreditation is awarded to hospitals for speed and efficiency in treating chest pain and heart attack symptoms.

### **We are honored to serve military veterans.**

All veterans enrolled in the VA Health Care System can get the care they need, right here at South Texas Health System.
